

DECISIONS, DECISIONS

In this class we are going to discuss how officers can condition themselves to derive at the best decision on emergency scenes when faced stress, distractions, interruptions, and fire chiefs. Many have learned of Rapid Primed Decision Making, but this class will delve into how officers can use RPD to their advantage when performing size up and implementing a plan of action.

MIKE WALKER

Deputy Chief Mike Walker has worked for the Oklahoma City Fire Department since March 2, 1990. He was promoted to his current position as the Deputy Chief of Operations on December 1, 2017. Chief Walker holds a degree in Municipal Fire Protection from Oklahoma State University and has served as a lead facilitator for the Oklahoma State University Executive Fire Officer Program.

Throughout his career with the Oklahoma City Fire Department, he has held the following positions:

- Task Force Leader for Oklahoma Task Force 1
- Battalion Officer for Districts 601, 603 and 604
- Technical Rescue Officer
- Haz-Mat Team Officer
- Training Officer

Chief Walker has been an instructor for more than 25 years and has presented at multiple national and international venues. Chief Walker was also an instructor for Eastern Oklahoma County Technology Center for several years.

Chief Walker and his wife Chris have been married since 2004. They have four grown children and three grandchildren. They currently reside in south Oklahoma City.
